HAPPY NEW YEAR

<http://imgfunny.net>

Let us thank God for granting us a New Year and be grateful to Him that we could step into it. The New Year has brought another chance for us to set things right and to open up a new chapter in our lives. End each year with a few good lessons and start the new one by showing that we have learnt the lessons of the past well. It is not necessary to think of the opportunities that we have missed in the last year. The New Year is an unwritten book with blank 365 pages, so choose our actions and words wisely and fill it up with pages that are worth reading by the end of the year. There are 12 months,52 weeks,365 days,8760 hours,52600 minutes and 3153600 seconds in an year .So let us fill it with the right thoughts and actions for the well-being of our family ,society, parish, dear and near ones. May this New Year brings you immense happiness in all you do, may the fireworks brings you the sound of victory in your ears. Wishing you a happy New Year and May God grant you success, good health, good luck, happiness, peace and joy throughout the year.
